SPORTS

by Brandon
Looper

The LCA volleyball girls are doing excellent so far this year! The High School volleyball girls did a wonderful job at the Wright Christian tournament. The high school girls placed 3rd in the tournament. The Middle School girls are also soaring among their competition. The Middle School volleyball girls placed 2nd in their tournament. Considering that the LCA volleyball girls were one of the youngest teams in the tournament, the fact that they placed 2nd in the tournament is astounding.

Football
